A FULL SERVICE DEFENSE FIRM SERVING CLIENTS NATIONWIDE

MOHAJERIAN
A PROFESSIONAL LAW CORPORATION

AN AGGRESSIVE AND RESPONSIVE PROVIDER OF LEGAL SERVICES, WITH A TOTAL COMMITMENT TO EXCELLENCE

We are dedicated to the interests of our clients and delivery of extraordinarily responsive, creative, practical and high quality solutions to their problems, developed from their point of view. We are also dedicated to providing our clients with quality service at a competitive cost.

We believe that the problems facing many individuals and corporate clients today can be addressed by taking a preventive approach. We assist clients in identifying potential problems prior to them maturing into litigation. If appropriate, we take advantage of settlement opportunities before litigation, but if we have to litigate, then that is what we do.

We also stress risk avoidance services, including the evaluation of clients’ business, IP and HR practices, policies and procedures and regulatory compliance issues. All of these strategies are designed to maximize recovery and enhance the client's position.

We represent manufacturers, distributors, franchisors, pharmaceutical companies, compounding pharmacies, healthcare providers, retail/food chains and developers.

DEDICATED TO HELPING...

These are the Areas of Our Practice:

**Intellectual Property**
- Antitrust
- Class Actions
- Environmental Liability

**Pharmaceutical Liability**
- Mass Torts
- Product Liability
- Professional Liability

Almost 90% of our cases are referred by other lawyers who know GIRARDI | KEESE. We will take a meritorious case even when other lawyers have declined for financial considerations. Many of these same firms will refer these cases to us because they know that if a case has merit, we have the will and resources to take it on.

Our referrals aren't just limited to mass torts or complex litigation. We constantly receive calls from attorneys who are pleased to learn we have the time, interest, and expertise to handle the claims of the family injured in the auto accident, the single mom coping with a child wounded by medical negligence or the elderly resident hurt by the neglect of a nursing home.
