The principal office for the transaction of business of the Association shall be at such address in the County of Los Angeles, State of California, as may be fixed from time to time by the Board of Trustees. The Board of Trustees may at any time establish branch or subordinate offices at any place or places where the Association is qualified to transact business.

Section 3. General Purpose. The general purpose for which the Association is organized is to engage in any lawful act or activity for which a corporation may be organized under the Nonprofit Mutual Benefit Corporation Law of California, provided, however, nothing in this Article shall be construed to authorize this Association to carry on any activity for the profit of its officers, trustees or other persons or to distribute any gains, profits or dividends to any of its officers, trustee or other persons as such. Furthermore, nothing in this Article shall be construed as allowing the Association to engage in any activity which is not permitted under Section 501(c)(6) of the Internal Revenue Code.

Section 4. Specific Purpose. The primary objectives and purposes of this Association shall be as set forth in the Association's Articles of Incorporation, and to carry on other activities associated with these purposes as allowed by law. iii. Three (3) members of the Nominating Committee shall be selected by lot from those Trustees serving on the Board pursuant to Section 1(f) of Article IV in the last four (4) annual elections.

(d) Eligibility for Membership on the Nominating Committee. Nominating Committee members shall be members of the Association falling within the classifications set forth in Sections 2 through 7 of Article II. Any member who has served on the Nominating Committee, whether as a designated or selected member of the Committee, shall not be eligible to serve on the Nominating Committee in the next succeeding year except as a designated Elective Officer member of the Committee.

(e) Vacancies. In the event any designated Barristers/Young Attorneys member of the Nominating Committee is unable to serve, or in the event the Barristers/Young Attorneys President fails to designate a member for the Nominating Committee, the vacancy may be filled by the President of the Association; provided, however, that vacancies in a position to be designated by the Barristers/Young Attorneys President may be filled by a member of the Barristers/Young Attorneys. In the event that any selected member of the Nominating Committee is unable to serve, the vacancy shall be filled only from among alternates previously selected by lot in the order that they were selected or, if no such alternates are available, by the President of the Association.

(f) Ineligibility of Members of Nominating Committee for Association Office. No member of the Nominating Committee may be nominated, whether by the Committee or by written nomination, for elective office, including the position of Trustee, during the year of service on the Nominating Committee.

(g) Candidates Considered by the Nominating Committee. The Nominating Committee may nominate one or more members of the Association who are members of the Association as of the record date specified in Appendix I attached hereto for each of the offices of President-Elect, Senior Vice President and Vice President and for each position of Trustee to be filled at the annual election. On or before the date specified in Appendix I attached hereto, (i) each Association member seeking nomination by the Nominating Committee to any of those elective offices or the position of elected Trustee must submit a declaration of intent to seek nomination and (ii) each Affiliated Association or Section seeking to have the Nominating Committee nominate a candidate for the Board of Trustees pursuant to Section 1 (e) or 1 (f) of Article IV must submit a nomination of such candidate; provided, however, that any member of the Nominating Committee may submit additional names of qualified candidates for nomination to the Trustee positions identified in Section 1 (d), 1 (e) or 1 (f) of Article IV by 5:00 p.m. of the business day prior to the first meeting of the Nominating Committee.

(h) Assessment of Candidates by the Nominating Committee. In assessing the candidates for each officer position and each category of the Board of Trustees, the Nominating Committee shall select candidates determined to be the most effective person for such position. In making that determination, the Nominating Committee shall consider, among other things: (i) each candidate's personal abilities, judgment and leadership qualities; (ii) each candidate's years as a member of the Association; (iii) the duration, scope, quality and recentness of each candidate's participation in the activities and affairs of the Association; (iv) each candidate's history and quality of support for the programs and projects of the Association and of the Los Angeles County Bar Association Counsel for Justice; and (v) candidates who, collectively, will make up a Board of Trustees which reflects, as much as practicable, the diversity of the Association's membership, including (A) diversity of geographic location, practice area and practice setting, (B) diversity of involvement in different Association Sections, Committees and Affiliated Associations, and (C) demographic diversity (including diversity of gender, race, ethnicity, sexual orientation, gender identity, age and other personal characteristics).

(i) Notice of Nominating Committee Selections. Within five (5) business days after making its selections (and in any event no later than the date specified in Appendix I attached hereto), the report of the Nominating Committee stating the names of the persons nominated by it shall be released to the daily newspapers of general circulation among lawyers of Los Angeles County, and a form for self-nomination as well as the names of the persons so nominated shall be posted in a conspicuous place in the office of the Association and shall be otherwise disseminated to the members of the Association.

Section 3. Additional Nominations. Additional nominations for any elective Association office, except President and Immediate Past President, or for any of the Trustee positions set forth in Article IV, Section 1(d)-(f) may be made by filing with the Secretary or acting Secretary of the Association, on or before the date specified in Appendix I attached hereto of each year, a written nomination signed by at least one hundred (100) members of the Association. Any such additional nominees must, when nominated and thereafter and have been a member since the date specified in Appendix I, (i) meet the applicable requirements for service as a Trustee set forth in Section 2 of Article IV and (ii) if seeking the office of President-Elect, Senior Vice President or Vice President, meet the applicable requirements for service as an Elective Officer set forth in Section 1 of Article VI. The Executive Director of the Association, within five (5) business days after the receipt of any such properly submitted written nomination of a qualified nominee, shall release the name of the nominee to the daily newspapers of general circulation among lawyers of Los Angeles County, shall post a notice of such nomination in a conspicuous place in the office of the Association shall otherwise disseminate information concerning such nomination to the members of the Association.

Section 4. Statement of Candidacy, Ballots and Voting. If the number of candidates for each position to be filled at the annual election is equal to the number of positions to be filled, then on the next business day after the deadline for filing additional nominations pursuant to Section 3 of this Article, all candidates shall be deemed unanimously elected. If the number of candidates for any position to be filled at the annual election is more than the number of persons to be elected to that position, then a ballot containing the names of the nominees for each office with a blank "write in" space after each office, and the names of all nominees for the position of Trustee with "write in" spaces equal to the number of Trustees to be elected immediately following the last name, shall be transmitted by regular mail or electronic means to each member of the Association entitled to vote. The order of names of all nominees for each position shall be determined by lot. A statement of candidacy shall accompany the ballot, and each candidate desiring to make a statement of candidacy shall file such statement with the Executive Director of the Association. If the name of more than one candidate is placed in nomination for any position, the names will not be identified as either nominated by the Nominating Committee or by petition. All members of the Association entitled to vote shall have the right to vote for nominees named on the ballot, or for any qualified member of the Association by writing his or her name in the proper blank "write in" space. A plurality of votes cast shall elect. The member who receives the greatest number of votes for an office and those qualified members equal in number to positions of Trustee to be filled at the election who receive the greatest number of votes shall be declared elected.

Section 5. Elections Committee. The Elections Committee shall consist of the President, President-Elect and Immediate Past President. None of the members shall be nominated for an elected Association position during his or her year of service on the Elections Committee. The President shall be the chair of this Committee.

By no later than the date specified in the Appendix I attached hereto, the Elections Committee shall formulate the schedule and rules and regulations for proceedings of the Nominating Committee and the conduct of the annual election, not inconsistent with these Bylaws, including but not limited to establishing the forms for self-nomination, rules for campaigning by candidates, the procedures for ballot distribution, the procedures for ballot counting and reporting the results, and the procedure for resolving a tie vote, all subject to approval by the Board of Trustees and timely publication to the entire membership of the Association; provided, however, that polls shall open and close on the dates set forth on Appendix I attached hereto. Article IX

AFFILIATED ASSOCIATIONS

Section 1. Other Associations. Other bar associations in Los Angeles County which meet the qualifications listed below may affiliate with this Association by filing an application, and by obtaining approval of the Board of Trustees of this Association.

Section 2. Qualifications. An association meeting all of the following qualifications shall be eligible to be an Affiliated Bar Association (an "Affiliated Association"):

(a) It has a substantial number of members in common with the membership of this Association at the time of its application for Affiliated Association status and throughout the course of its Affiliated Association relationship with this Association. For the purpose of this subsection (a), "a substantial number of members" shall mean (i) for associations with 1,000 or fewer members, at least twenty-five percent (25%) or 100 (whichever is less) of its members are members of this Association, (ii) for associations with more than 1,000 but less than 2,000 members, at least 250 of its members are members of this Association, and (iii) for associations with more than 2000 members, at least 500 of its members are also members of this Association.

(b) It is geographically based in the County of Los Angeles, or a part thereof; and

(c) It is dedicated to legal matters generally, without limitation to a particular branch or subdivision of the law, provided, however, that the Board of Trustees, for good cause shown, may waive this requirement and, in its absolute discretion at any time, revoke any prior waiver of this requirement.

(d) It has been in continuous existence for three (3) or more years immediately prior to its application for affiliation.

(e) It has a total membership of at least fifty (50) at the time of its application for affiliation, has had a total membership of at least fifty (50) for the two (2) years immediately prior to its application, and continues to maintain a total membership of at least fifty (50) throughout the course of its Affiliated Association relationship with this Association.

Section 3. Application for Affiliation; Approval by Board of Trustees.

(a) An application for affiliation shall be submitted to the Executive Director of this Association together with a list of its members at the time of application for affiliation and a list of its members at one year prior to the time of application for affiliation, evidence that the applicant meets the requirements of subsections (a) through (e) of Section 2 of this Article, and such other information as may be required by the Association. The Executive Director of the Association shall inform the Board of Trustees of the Association of the applicant's compliance with Section 2 of this Article.

(b) The Board of Trustees may approve or reject any such application for affiliation in its sole and absolute discretion. In deciding whether to approve or reject such application, the Board of Trustees may consider, among other factors:

i. Whether affiliation of the applicant will adversely affect the Association generally, or any existing Section or committee of the Association in particular; and

ii. Whether it may be in the best interests of the Association in the future to create a Section or committee covering the same branch or subdivision of the law as the applicant.

Section 4. Annual Verification of Affiliated Status. On an annual basis, the Executive Director shall request all bar associations in Los Angeles County which are eligible for affiliate status and each Affiliated Association to furnish a list of its members and such other information (to be specified in such request) as may be required to confirm whether the Affiliated Association continues to qualify as such in sufficient time to allow them to submit the information required for them to be declared an Affiliated Association (or not) in time to submit nominations, if any, by the date specified in Appendix I attached hereto. No later than June 15 of each year, the Executive Director shall (a) notify each Affiliated Association which continues to qualify as such that it continues to so qualify and (b) notify each Affiliated Association determined not to continue to so qualify (i) which of the qualifications provided for in Section 2 of this Article are no longer satisfied by such Affiliated Association and (ii) that if such Affiliated Association does not furnish evidence acceptable to the Executive Director of its satisfaction of all of said qualifications within ninety (90) days following such notice, its affiliated status shall be subject to automatic termination in accordance with Section 5(a) of this Article.

Section 5. Termination of Affiliated Association Status.

(a) An Affiliated Association's status as an affiliate of this Association shall terminate (and all rights and privileges of its members based on such Affiliated Association status shall likewise terminate) without further notice if (i) unless such Affiliated Association's submission is timely waived by the Board of Trustees pursuant to Section 6(b) of this Article, the Affiliated Association fails to furnish to the Executive Director, within thirty (30) days following request, the list and other information to be provided pursuant to the first sentence of Section 4 of this Article or (ii) unless such Affiliated Association's compliance with such qualifications is timely waived by the Board of Trustees pursuant to Section 5(b) of this Article, the Affiliated Association fails to furnish the Executive Director, within ninety (90) days following notice pursuant to clause (b) of the second sentence of Section 4 of this Article, evidence acceptable to the Executive Director that it satisfies all of the qualifications for affiliated status provided for in Sections 2 of this Article.

(b) The Board of Trustees may waive (i) an Affiliated Association's submission of information required pursuant to the first sentence of Section 4 of this Article for good cause shown, if the Board acts to do so on or prior to the 30th day following the Executive Director's written request for such information, or (ii) an Affiliated Association's compliance with the numerical or other qualification requirements for good cause shown and upon demonstration of diligence in meeting such qualification requirements, if the Board acts to do so on or prior to the 90th day following notice to the Affiliated Association pursuant to clause (b) of the second sentence of Section 4 of this Article. "Diligence" as used herein shall at a minimum require one communication, by mail or electronic means, to all non-common members requesting that they join the Association and including in such communication an Association membership application. Any such waiver shall require the concurrence of two-thirds (2/3) or more of the Trustees voting if the requirement was waived for this Affiliated Association in the immediately preceding year. No such waiver may be authorized if the requirement was waived in each of the two prior years.

(c) The Board of Trustees may, in its sole and absolute discretion at any time, vote to terminate any Affiliated Association's status as an affiliate of this Association. Effective immediately upon transmission of notice to such Affiliated Association of such a vote by the Board of Trustees, or such later date as may be specified in such notice, its status as an affiliate of this Association shall terminate (and all rights and privileges of its affiliate members based on such Affiliated Association status shall likewise terminate) without further action or notice.

Section 6. Reinstatement of Affiliated Status. If the affiliated status of an association is terminated pursuant to Section 6 of this Article, then such association shall not be eligible to apply to reinstate its affiliated status without having met (a) the requirements of Section 2(a) of this Article for the two years immediately prior to its application for reinstatement and (b) all other requirements for affiliation.

Section 10. Section Executive Committee. The officers and members of the Executive Committee of each Section shall be selected by appointment or ballot as the Bylaws of each Section may from time to time provide.

Extraordinary expenses shall be subject to prior approval by the Executive Committee of the Association, and in no event shall any amount be expended for a purpose which would jeopardize the tax-exempt status of the Association.

Article XI

ENDOWMENT

The Board of Trustees may adopt any convenient means whereby gifts, donations, bequests and devises from members and others, to be used in furthering the activities and objects of the Association, may be received, held, administered and disbursed.

Article XII

AMENDMENTS TO BYLAWS

These Bylaws may be amended by the following methods:

Section 1. Submission to Trustees. Any twenty-five (25) members or any five (5) Trustees of the Association may file with the Executive Director a written proposal for amendment of these Bylaws or any Bylaw of the Association. The Executive Director shall promptly submit a copy of each such written proposal for amendment of these Bylaws or any Bylaw to each Trustee. Following thirty (30) day prior written notice to the members of the Association accompanied by a copy of the proposed amendment, except as provided in Sections 2 and 3 of this Article, at any meeting of the Board of Trustees thereafter held, the Board of Trustees, by two-thirds vote of the quorum present, may adopt or reject such proposed amendment of these Bylaws or any Bylaw or may amend the proposal and adopt or reject it as thus amended.

Section 2. Changes in Membership, Quorum or Amendment Procedure. If any proposed amendment made under Section 1 of this Article XII effects an exchange, reclassification or cancellation of all or part of the membership of any class of members, increases the quorum for members' meetings or alters the procedure for amendment of the Bylaws, it shall, in addition to being approved by the Board of Trustees under Section 1 of this Article XII, be submitted to the membership of the Association, shall be adopted or rejected by a majority vote of those members voting and shall become effective only if adopted. The proposed amendment shall be submitted to the membership by written ballot transmitted by regular mail or electronic means unless, at the meeting of the Board of Trustees at which the Board adopts the amendment, two-thirds or more of the Trustees voting vote to submit the amendment to the membership at a meeting of the members of the Association, in which event the proposed amendment shall be submitted to the membership, upon not less than ten (10) business days written notice, at a meeting of the members of the Association. If the proposed amendment would materially and adversely affect the rights, privileges, preferences, restrictions or conditions as to voting of any class of members in a manner different from the manner in which such action affects another class or would effect an exchange, reclassification or cancellation of all or part of the membership of a particular class, then adoption of the proposed amendment shall also require approval by a majority of the members of the affected class voting.

Section 3. Rejected by Trustees. Any proposal for amendment under Section 1 of this Article XII which has been rejected by the Board of Trustees or which the Board has failed to adopt or reject within a period of three months after filing shall upon written request of two hundred fifty (250) or more of the members of the Association be submitted to the membership by written ballot transmitted by regular mail or electronic means unless, at the meeting of the Board of Trustees next succeeding the filing of the members' request for submission, two-thirds or more of the Trustees voting vote to submit the proposal to the membership at a meeting of the members of the Association, in which event the proposal shall be submitted to the membership upon not less than ten (10) business days written notice at a meeting of the members of the Association held within sixty (60) days after the filing of the members' request for submission. Any proposal to be submitted to the membership by a vote conducted by ballot pursuant to this Section 4

shall be so submitted within one year after the filing of the written request for submission to the membership, and by a majority vote of the members voting, the amendment shall be adopted or rejected.

Section 4. Frequency of Ballots. Notwithstanding the provisions of Section 3 of this Article XII, except upon the affirmative vote of a majority of the quorum present at any meeting of the Board of Trustees, the provisions of said Section 3 shall not require a proposal for amendment of the Bylaws filed within one year after the defeat, by a vote conducted by ballot of the membership or at a meeting of the members, of a substantially similar (in the judgment of the Board of Trustees) proposal to be submitted to the membership by a ballot.

Section 5. Quorum for Ballots. A quorum for action by the membership by vote conducted by ballot shall be the same as for any meeting of the members pursuant to Section 5 of Article III.

Section 6. Ballot Statements. The proponents and opponents of any proposed change in the Bylaws shall have the right to have a ballot statement not exceeding 500 words sent to the membership at Association expense along with each ballot and each notice of a membership meeting at which the proposed change is to be voted upon; provided that such proponents and opponents shall furnish their proposed ballot statements to the Executive Director no later than five (5) days prior to the deadline date for transmittal of the subject ballot or notice, as the case may be, provided for in Sections 2 and 3 of this Article.

Section 7. Proponents' Ballot Statement. The proponents of any change in the Bylaws shall be the members or Trustees of the Association who proposed the change in writing pursuant to Section 1 of this Article. The proponents shall determine by majority vote or such other procedure as they may agree upon who shall prepare the ballot statement in support of the proposed change.

Section 8. Opponents' Ballot Statement. The opponents' ballot statement shall be prepared (a) as determined by a majority of the Trustees opposing the change or (b) as determined by a majority of 25 or more signatories who submit a written petition to the Executive Director seeking to prepare the opponents' ballot statement. If both methods are utilized, the Trustees majority in opposition shall determine who prepares the opponents' ballot statement.

Section 9. Implementing Procedures. The Board of Trustees may adopt by resolution such procedures as may be necessary to implement the provisions of this Article XII.

Article XIII

The Association shall encourage diversity among its leadership and among those participating at all levels of the Association.
