

2018 FUNDAMENTAL/REFRESHER PROBATE VOLUNTEER PANEL ATTORNEY TRAINING PROGRAM

This program provides an overview of the role which Probate Volunteer Panel attorneys play and the duties which they are expected to fulfill. We will offer the Court's perspective and experienced practitioners' insights on issues which frequently arise in court appointments. In addition, Judge Cowan will give a presentation on least restrictive alternatives for proposed conservatees, and Stuart Zimring will discuss the social lives of elders. The program satisfies many of the continuing education requirements for PVP attorneys set forth in the LASC Local Rules and in the California Rules of Court. It is of interest to attorneys of all experience levels.
